

FIND THE DIFFERENCE

The elves are going wacky in the workshop! Seven things in the picture on the right are missing or different in the picture on the left. Can you find them all?

There are seven things in the picture on the right that are missing or different in the picture on the left.

Answer Key

Drumsticks are facing a different direction

Elf is holding a ball

Doll is missing the bow in her hair

Teddy bear is missing his bow-tie

One block contains a different letter

Gift wrap on the present near the block faces a different direction

Wheels on the train are different
